THANKING JUANITA CAMPBELL  
FOR HER SERVICE TO THE LIBRARY OF CONGRESS

**HON. STENY H. HOYER**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 9, 2016*

Mr. HOYER. Mr. Speaker, I rise to thank Ms. Juanita Campbell, who is retiring after more than forty-two years of outstanding service to the United States Congress.

Ms. Campbell retired in January as a Manager of Legislative Data, with more than four decades of service to the Library of Congress. She first started working for the Library in 1973 as a high school student, at which time she served as a Library Aide working on the National Union Catalog. Ms. Campbell went on to become a Clerk Typist in 1974 and, soon after, joined the Congressional Research Service's Economic Division as an Editorial Assistant. Three years later, she moved to the American Law Division, originally called the Bill Digest Section, where she helped track and summarize all pending public legislation. Since 1996, Ms. Campbell has served as a Manager of Legislative Data. Through the years, she has been a highly reliable and knowledgeable liaison to House and Senate staff, relaying bill status information and sharing her expertise on the interaction of the different legislative information management systems.

Ms. Campbell has been focused intently on improving access to legislative proceedings. She aided in the transition of where transcripts and details of legislative proceedings could be found: from only being available through a Library of Congress database, with a limited range of users, to their availability on the internet through the THOMAS website, which everyone can access. Ms. Campbell's knowledge was invaluable during the recent transition to the more modern Congress.gov.

Ms. Campbell has been instrumental at increasing legislative transparency and moving Congress into the digital age. The services she helped develop are invaluable to Congress, the public, and our democracy. The work of her unit, particularly on bill status information, has vastly increased accessibility to the legislative database as well as documentation. Her keen attention to detail has been largely responsible for the high quality of work the Library and CRS's legislative service provides.

Throughout her career, Ms. Campbell's thoughtfulness and positive attitude have earned her the respect and confidence of countless Congressional and CRS staff. As a manager responsible for much of what makes complex information not merely reliable but understandable, she has always demonstrated a passion for teamwork, learning, and problem-solving.

Although Ms. Campbell will be retiring, her many accomplishments will stand as a fitting tribute to her as a professional and as a patriot. Ms. Campbell's presence will be greatly missed. On behalf of this House, I congratulate Juanita Campbell on her retirement and thank her for her dedication and outstanding contributions to the institution. I wish her the best in all her future endeavors.

IN RECOGNITION OF OUR STELLAR  
SCHOOL BOARD MEMBERS

**HON. PETE OLSON**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 9, 2016*

Mr. OLSON. Mr. Speaker, I rise today to recognize the hard working School Board members of Katy Independent School District.

Our school board members of Katy ISD in the 22nd Congressional District of Texas play a critical role in the success of our schools. Our district is the most diverse and fastest growing congressional district in America, due largely in part to the hard-working and caring educators and school board members that dedicate their time and energy on our schools; ensuring that our children can achieve whatever they set their mind to. Our school board members were elected or hired to be the caretakers of the American Dream—any child can be anything they want—if they receive the education that will give them the necessary tools to achieve their dream. Our schools are stronger because each of them embrace the challenge.

On behalf of the Twenty-Second Congressional District of Texas, thank you again to Katy ISD for being Super-Heroes in developing our leaders of tomorrow.

MOURNING THE LOSS AND HONORING THE UNFORGETTABLE  
LIFE OF MAURICE WHITE

**HON. SHEILA JACKSON LEE**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, February 9, 2016*

Ms. JACKSON LEE. Mr. Speaker, it is with a deep sadness and a heavy heart that I rise today to pay tribute to Maurice White, a man who touched the hearts of millions of Americans as a founding member of the legendary band called Earth, Wind & Fire.

Maurice "Reese" White was born on December 19, 1941, in Memphis, Tennessee.

From a young age he displayed a true talent for playing music.

He left Memphis to study music in Chicago at the elite Chicago Conservatory of Music.

In 1963, Maurice White began working as a session drummer for Chess Records. Soon after, he began playing with the Ramsey Lewis Trio. In 1969, he formed his own band, the Salty Peppers. After moving to Los Angeles, California, Maurice White renamed the band as Earth, Wind & Fire. He asked his younger brother, bassist Verdine White, to join his band. The band's first album failed to become a break out hit, which prompted Maurice White to shuffle the membership. Maurice White brought in several new members that

included singer Philip Bailey, keyboardist Larry Dunn, and guitarist Al McKay. The band began experimenting with jazz, R&B, funk, soul, pop music, and African sounds.

Then in 1973, with the new band members and a new sound, Earth, Wind & Fire released their first hit album titled Head to the Sky, selling more than 500,000 copies. The group continued to build on that success by producing a succession of gold and platinum albums throughout the 1970s and the early 1980s. Maurice White helped compose many of the band's hits and the songs that helped define the decade: "Shining Star," "That's the Way of the World," "Reasons," "September," and "Let's Groove." Maurice White won six Grammys with Earth, Wind & Fire, and received a solo award for his arrangement of "Got To Get You Into My Life." Maurice White and Earth Wind & Fire were inducted into the Rock and Roll Hall of Fame in 2000.

Also, in 2000, Maurice White revealed to the world that he had been diagnosed with Parkinson's disease. This announcement served as an explanation to his legion of loyal fans around the world for his decision to withdraw from performing. Despite the effects of his health condition, Maurice White decided to remain active in the Music industry by founding a new recording label called Kalimba Records. He also collaborated on Hot Feet, which was a musical set to Earth, Wind & Fire songs. Then in 2010, Maurice White was inducted into the Songwriters Hall of Fame. After a long battle with Parkinson's disease, Maurice White passed away in his sleep on February 3, 2016 in Los Angeles, California. Mr. Speaker, Maurice White leaves behind a legacy as one of the most innovative and unique artists and songwriters of the 21st century.
